Pillar 6 — Parent Experience

Product: EduOS · **Layer:** 6 · **Sidebar:** Parent Portal

Purpose

The Parent Experience Portal gives guardians **real-time visibility** into their child's classes, progress, homework, attendance, fees, and messages — without calling the center for every update.

Who uses it

Role	Access
Parent	Parent Portal dashboard and tabs
Center admin	Preview parent view (same UI, admin context)
Family account	One login — switch Parent view / Student view in top bar

Demo family login: sharma@family.demo / demo123

Modules & functionalities

Path: Parent Portal (or Parent view after family login)

Child selector: Dropdown to switch between linked children.

Tabs:

Tab	Content
Home	Success score, next class, recent activity, contact teacher
Progress	Strengths, skills breakdown, test history chart
Homework	Assignments, due dates, status — parent can mark submitted
Attendance	History table and attendance rate
Fees	Outstanding balance, invoices, report payment (UPI)
Feedback	Teacher notes from center
Messages	Thread with center / comm hub
Settings	Notification preferences (email, WhatsApp, SMS toggles)

Actions on Home:

- **Request Progress Summary** — triggers summary generation/notification
-

How to use — step by step (parent)

A. LOG IN AND SELECT CHILD

1. Choose **Family** or **Parent** portal tile (or family login above).
2. If multiple children, use **Viewing as parent of** dropdown.

B. CHECK UPCOMING CLASS

1. **Home tab** — see next class date, time, topic, **Join** link.
2. Review success score and recent activity feed.

C. TRACK PROGRESS

1. **Progress tab** — skills by subject with progress bars.
2. Review test history and strengths list.

D. HOMEWORK

1. **Homework tab** — list of assignments with due dates.
2. When child completes work offline, parent clicks **Mark submitted** (confirmation, not grading).
3. View grades after teacher grades in Tutor Success.

E. ATTENDANCE & FEES

1. **Attendance tab** — see present/absent/late history and overall rate.
2. **Fees tab** — view invoice amount, due date, UPI payment instructions.
3. After paying offline, **Report payment** — admin confirms in Fees & Invoices.

F. MESSAGES & PREFERENCES

1. **Messages tab** — read center announcements and replies.
 2. **Settings tab** — toggle notification channels → **Save Preferences**.

How center admin supports parents

1. Ensure student records have correct **parent name** and **parent phone**.
 2. Keep class schedule and meeting links updated in Academy.
 3. Record attendance and tests so parent tabs stay accurate.
 4. Configure UPI ID in **Settings** → **Billing** for fee tab.
 5. Respond to messages in **Communication Hub**.

Verify

- [] Parent login shows linked child(ren) only
 - [] Home displays next scheduled class with join link
 - [] Homework list matches assignments created in Student Success
 - [] Fees tab shows current month invoice and UPI ID
 - [] Report payment flows to admin **Confirm payment**
 - [] Notification preferences save on Settings tab
-

Demo tip

Log in as `sharma@family.demo` → switch Parent view → walk Home → Homework → Fees.
